

PUBLIC NOTICE

Canadian Navigable Waters Act

Fisheries and Oceans Canada's Small Craft Harbours Program hereby gives notice that an application has been made to the Minister of Transport, pursuant to the *Canadian Navigable Waters Act*, for approval of the work described herein, its site and plans.

Pursuant to subsection 7(2) of the said Act, the Fisheries and Oceans Canada Small Craft Harbours Program has deposited with the Minister of Transport, on the online Common Project Search registry ([Common Project Search - Canada.ca](https://www.commonprojectsearch.ca)) under the registry number **13793** and the NPP number **2025-215795**, a description of the following work, its site and plans:

**Breakwater Reconstruction at the Cape John Small Craft Harbour,
at approximately 45°47'51.47"N, -63°7'29.35"W in Cape John, in
the Province of Nova Scotia**

Comments regarding the effects of this work on marine navigation can be sent through the Common Project Search registry mentioned above under the Comment section (search by the above-referenced number). If you do not have access to the internet, you can send your comments directly to:

Navigation Protection Program
Transport Canada
95 Foundry Street, 6th Floor
PO Box 42
Moncton, New Brunswick E1C 8K6

Comments will be considered only if they are in writing and are received no later than 30 days after this publication of the last notice. Although all comments conforming to the above will be considered, no individual response will be sent.
